FALL INTO THE SEASON – NOT A SCAM!

Would you know a scam if you saw one?

1. **Fake package delivery texts** asking you to click a link
2. **"Your account is compromised" calls** asking for your verification code
3. **Spoofed phone numbers** that look like they're coming from a trusted business
4. **Fake shopping deals** that seem too good to be true
5. **Family emergency scams** asking for money immediately
6. **Fake giveaways or prizes** that require a fee to claim your winnings

Remember: Slow down. Don't click. Don't share security codes.

Never send money to someone you don't know.

When in doubt, contact us directly using a trusted phone number.
