## Groundbreaking Ceremony!

Tuesday, June 14, 2022, Telco Plus Credit Union held a Ground-breaking Ceremony for our second location in Tyler. The new branch is located at 1010 S SE Loop 323, Tyler, TX 75701. This is a major reconstruction project with a completion date expected in late October. Randall Pearson, CEO, started off the ceremony with a few words. "We, Telco Plus, are very excited to be opening a new branch in this part of Tyler. The new branch is the most natural extension of our current rapid pace of growth in both Tyler and Longview. We expect this branch to significantly improve our convenience for current and future members. We feel that North Tyler is under-served by credit unions. Telco Plus Credit Union is a highly diverse organization from top to bottom. This location will, among other things, continue to enhance our service for the Hispanic community."

In attendance was Telco Plus' Board of Directors, Randall S. Pearson, President/CEO, MBA; a few of the executive staff and staff for the new location.

Shane Coleman, Chairman; Joni Bailey, Director; and Randall Pearson, CEO
